Aaron Akins

Zachary Cortes PR and Associates is proud to announce we are now representing the dynamic recording artist Aaron Akins. Aaron's career is filled with so many success stories, collaborating with some of the most well known and respected. His music and inspiration is nothing less than captivating but he is driven by something more. His website name alone honors women and helps convey the message that we all possess *inner beauty* and that the characteristics of women should be the primary measure of beauty. Aaron eloquently shared his thoughts during a recent radio interview. His emphasis on how inner beauty transcends outer beauty is reflected in his songwriting. If you been treated to a live show, then you know he has great stage presence as well. Currently, Aaron is on a *House of Blues* tour, so grab a friend and treat yourselves to a special night. He is also making the interview rounds, and you may also look for him in Fall issue of Rock 'N' Roll Industries magazine. You may stay up to date on Aaron's schedule and projects by visiting his website.

CIARA ELIZABETH

Fall has been a busy time for Ciara, making the interview rounds and being featured in articles. Ciara has several shows scheduled at some of the more popular venues in southern California, in part because promoters are taking notice of her loyal and growing fan base. The Los Angeles based artist was one step away from performing in New York, at the Lincoln Center for the Performing Arts, when she finished runner-up at the 2013 *NewSong Music* contest...but how that got her on the radar of so many. Ciara is invited to perform at one of the great seasonal venues anywhere, *Festival of Lights*, which is surrounded by a USA historic landmark, the Mission Inn Hotel & Spa. So bring your poetic body over to see her perform your favorite holiday songs on opening weekend, Saturday, November 30th. The venue is four square blocks of seasonal fun...ice skating rink, themed horse drawn carriages, seasonal arts and crafts, holiday specialty foods, live seasonal music and a lot of fun! Stay up to date by visiting Ciara's website.
