## Teri Elaine

Winter has been a busy time for Teri and the pace is picking up. The bi-coastal acting and modeling coach is fresh off a couple of workshops she offered in Hollywood South and now she is offering one this spring, in southern California. Recently, Teri was profiled by [Celebrity Talk Australia](#) and it was very insightful.

Teri is the director of education for the prestigious Barbizon Acting and Modeling Schools, however, she offers workshops outside of the school because there is a demand for quality teachers like Teri to help career driven artists of all ages.

Contact information to sign up for a workshop is [teri.elaine@yahoo.com](mailto:teri.elaine@yahoo.com) or (213) 260-0497 (west coast) or (407) 461-4203 (east coast). You may also stay up to date by visiting Teri's website: [controlledchaosprod.weebly.com/](http://controlledchaosprod.weebly.com/)

## Dian Katz

Rocker musician Dian Katz is always on the move. Sometimes you'll find her on the red carpet interviewing "A-List" artists and other times she'll be writing an entertainment article for one of the most popular American publications, Lesbian News Magazine... We know the readership numbers. However, at heart Dian is a rocker gal and you'll find her performing with her band at some of the most popular music venues in southern California. Recently, the shoe was on the other foot when she was interviewed over the SoCal radio airwaves by *Benny The Breeze*. Dian spoke about her awesome loyal fans and her big plans for 2014. Did we mention she's also has a background in Marriage Counseling and a published book, *Love Hurts*, used by colleges and universities? Podcasts and a TV Show on personal growth and self help, are in her future.

You can keep up to date on Dian's latest projects by visiting her website at: <http://diankatz.org/> or her Facebook page: [www.facebook.com/diankatzband](http://www.facebook.com/diankatzband).
