Johnny “JR” Conklin

Zachary Cortes PR & Associates is proud to announce we are now representing songwriter Johnny R. Conklin or “JR” as he is poetically known. JR has built a diverse portfolio of songs, and he has performed around southern California as well, where he is based. Recently, JR appeared on the popular southern California radio station KTST (89.5 FM), in Anaheim, California, on the Benny The Breeze show. It was a lively chat between a couple of poised and personable souls. JR spoke about his current project and also performed a couple of songs live. Stay tuned for more news in the coming weeks or feel free to drop JR a line. There is nothing more rewarding for an artist than hearing from your peers and those who patronize the arts. johnnyrconklin@gmail.com

Teri Elaine

Teri Elaine recently spoke at the third annual Indie Entertainment Summit, in Los Angeles, California. It's because of Teri the IES was able to offer her popular *Hollywood Intensive* acting and modeling workshop, and it was extremely helpful to those seeking to “rise above the line.” Her next scheduled stop is aboard the Passport to Discovery sea cruise, a premier talent scouting event. The one week Caribbean cruise offers workshops and talent showcases, and is filled with industry professionals who help advance careers. But the pace keeps going for the much sought after acting and modeling coach. Teri is then off to Houston for another *Hollywood Intensive* workshop. Whew!
