SYSTEMATIC TRAGEDY

Systematic Tragedy just played another outstanding live performance at the world famous: House of Blues in Anaheim, CA.

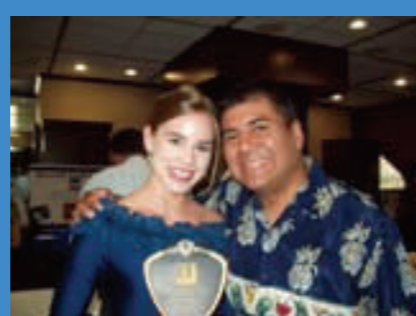

SMT has been busy making the guest rounds on television and radio shows and there is no sign of slowing, with more guest spots lined up. Their interviews are insightful and the all three members are extremely poised and personable. SMT's music is now hitting the airwaves in the UK and on college radio stations across America, so go ahead and request them. Visit their website for their latest music, concerts, interviews and give-a-ways.

CHRISTA B. ALLEN

Many of you know Christa B. Allen from both the big screen and the small screen, such as CBS's *Cake*, and the motion pictures *Ghosts of Girlfriends Past* and *13 Going on 30*, in addition to numerous guest starring roles on television. There is no slowing down for Christa as she recently completed filming for *Detention of the Dead* and *Deadly Sibling Rivalry* as well as for the upcoming ABC television series *Revenge*.

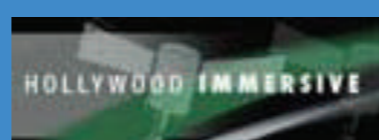

Personally, I believe Christa's ability to bring strength or vulnerability to a character matches Hollywood legend Joan Fontaine. And off screen, Christa is as down to earth as anyone you will want to know.
